

# Foolish Pot Maker

INSTRUCTIVE STORIES BY  
SRILA PRABHUPADA

Once there was a earthen pot seller

Now this pot is two  
paisa in the market, it has  
cost me one paisa. I shall  
make one paisa  
profit

I shall invest again.  
I shall make another profit,  
another profit and on  
and on...

In this way I shall  
become millionaire

Then I shall marry and  
my wife will be very  
obedient

And if she does not become obedient, then I will give her a kick like this.

So one pot was there and he kicked it and it broke.

Oh, again I am poor man
