

MAKSI MANDA KANANI

*INSTRUCTIVE STORIES BY
SRILA PRABHUPADA*

A clerk was making a fair book from the rough book

Suddenly he went to the store room

He was jumping into the air

Leaping around the room

All of a sudden his boss came in.

What are you doing here?

Sir, I am trying
to capture one fly

But why?

I am following your instruction as it is. I am making the fair copy from the old book.

There is a fly smashed and stuck in the old book. Hence, I am trying to capture a fly so that I can stick to the new copy.

MORAL :

They are such fools. Maksī
manda kanani. Blind following.
Speculating on the rules and
regulations. Someone said, so
now everyone follows.
