THE ASTROLOGER

INSTRUCTIVE STORIES FROM
SRILA PRABHUPADA
An astrologer was so busy gazing at the stars
Suddenly he fell into a ditch while walking.

Help! Help!
A passer by saw him and said...

Friend what happened?
Why have you fallen in this ditch?
I was gazing at the stars and hence I did not see this ditch on my path.
Friend, you should let the stars go their own way.
MORAL:

Mind your own business
